Advice from Pres. GHW Bush

Directed at people starting their careers, Applicable to us all:

- * Don't get down when your life takes a bad turn. Out of adversity comes challenge and often success.
- * Don't blame others for your setbacks.
- * When things go well, always give credit to others.
- * Don't talk all the time. Listen to your friends and mentors and learn from them.
- * Don't brag about yourself. Let others point out your virtues, your strong points.
- * Give someone else a hand. When a friend is hurting show that friend you care
- * Nobody likes an overbearing big shot.
- * As you succeed, be kind to people. Thank those who help you along the way.
- * Don't be afraid to shed a tear when your heart is broken because a friend is hurting.
- * Say your prayers!! (Don't rely solely on self-sufficiency).
