

CAAFI 2014 General Meeting & Expo

CAAFI Challenges

Moderated by: Steve Csonka, CAAFI

Produced by

Focusing on Our Biggest Challenges

Where/how can CAAFI help most

28Jan'14

CAAFI “Charter” ... Fostering Opportunity

- * **Promote / Advocate / Communicate**
- * **Align / Coordinate**
- * **Initiate action – bring players together**
- * **Create tools, frameworks, language**
- * **Disseminate information, guidance**
- * **Supply the integrated-initiative perspective**
- * **Focus domestically / foster internationally**

CAAFI (as an entity) doesn't directly:

- * **Execute R&D**
- * **Resource supply chain initiatives**
- * **Provide capital or financing**
- * **Purchase fuel**

... but our members, sponsors and partners do, so we focus on bringing them together ...

CAAFI Work Teams, working to ...

Research & Development

*Enabling
Multiple “Drop-in”
Solutions*

Certification / Qualification

*Fostering
ASTM D7566
Approval*

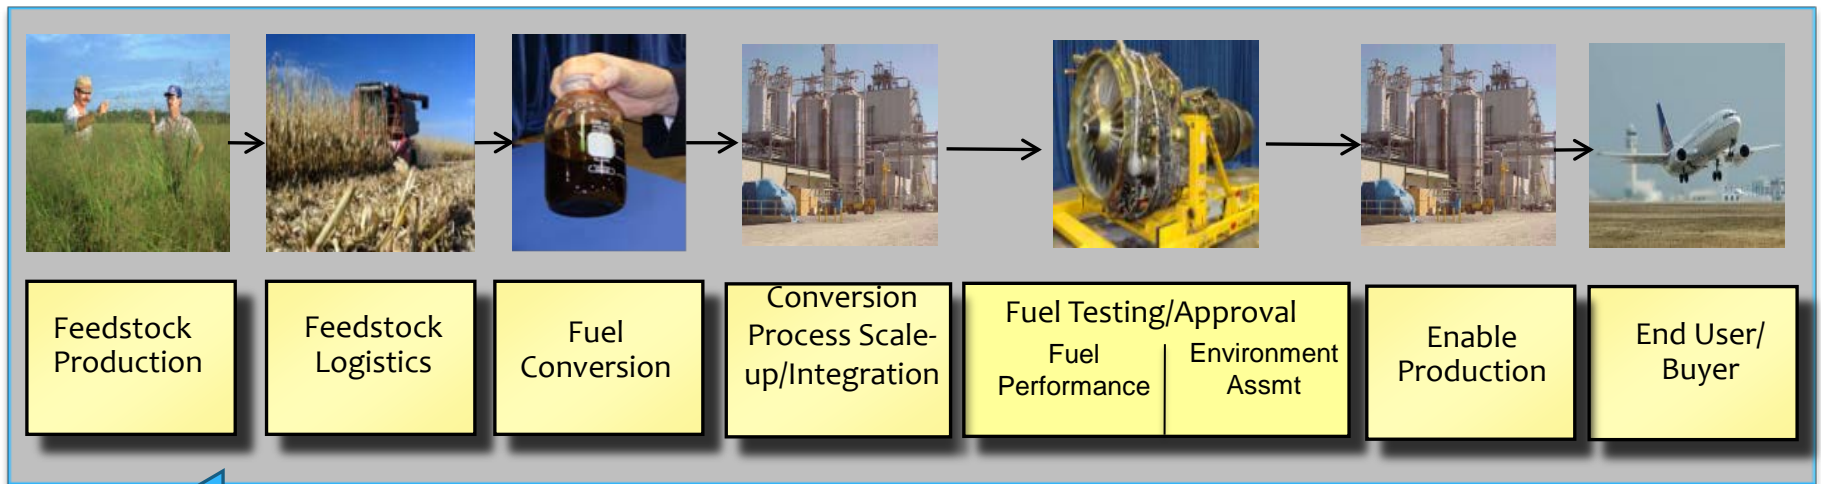

Environmental

*GHG LCA, PM2.5
Quantification,
Sustainability*

Business

*Facilitating
Deployment,
Investment*

... define the full Supply Chain ...

Focus and communicate requirements “Flow Down”

Facilitate maximum opportunity “Flow-up”

Areas of potential additional focus

- * **R&D roadmapping, especially internationally**
- * **Feedstock development**
- * **Integrated supply chain**
- * **Financing**
 - * **Risk Reduction – see CAAFI Guidance**
- * **Matchmaking**
- * **Individual project development – States Initiatives**

R&D Team Breakout Session, Tuesday, January 28, 2014

Time	Session Title/Description
